June 2017

**Welcome to June.** Summer’s just about here—if you’re keeping track astronomically, it officially starts at 11:24 PM June 20<sup>th</sup>. The kids are out of school, looking forward to summer vacations and fun times with their families at PVL. The Blues got bounced out of the Stanley Cup Playoffs in the second round, and the Cardinals, after a disastrous April and early May have climbed back into contention. With the economy turning around, it

looks like states all seem to have more money for road construction, as all the interstates have lanes closed, and MODOT seems happy to make getting in and around Owensville tougher, but eventually better, with bridge replacements on Hwy 19 to the north and Hwy EE to the south. Now that summer is here, and things will get much busier around the lake, we wanted to provide part two of our review of Peaceful Valley Estates Rules and Regulations.

## Boating, Swimming, and Fishing Rules

Many of us bought homes or lots here at Peaceful Valley so we could take full advantage of the lake and what it has to offer. To ensure safety of our owners and guests, the Boating, Swimming, and Fishing Rules are summarized below. A reminder—the rules and regulations are in addition to Federal and State laws, rules, and regulations that govern these activities. The rules are summarized below, but you can see the entire list of rules at <http://www.peacefulvalleylake.com/rules-and-regulations.html>

## Game Show Night Saturday Night, June 24<sup>th</sup> 2017@ Peaceful Valley Lodge

Join us at the lodge for a Mystery Game Show Night at the Peaceful Valley Lodge starting at 6 PM. Depending on the size of the audience, we'll have one or more PVL versions of some of the classics—Password, Concentration, Match Game, etc. It's a mystery because we'll decide that night what we're going to play. Bring your favorite libation, but we'll have a few bottles of local wine and craft beer, along with cheese and crackers and other snacks. Please bring something to share. Any questions, call Gary or Ricky Hacker at 573-437-2619, or email at [pvl.gary@gmail.com](mailto:pvl.gary@gmail.com).

## Thanks to our volunteers!!

A shout-out to Tom Bush and Ken Buser for designing and placing the new sign at the campground. Thanks for volunteering!

## Web Site Enhancements

We're experimenting with some website enhancements. We've added search bars on selected pages. If you're searching for something on the website, type it in the search bar and it does a pretty good job of finding information on the PVL website. Check it out and let us know if this is something you'd like us to keep.
